

## REMARKS

This Amendment is submitted preliminary to the issuance of an Office Action in the present application.

Applicant has canceled original claims 1 to 21 in favor of new claims 22-43 which are intended to present claims in proper form and language and to better encompass the full scope and breadth of the invention notwithstanding applicant's belief that the claims 1 to 21 would have been allowable as originally filed. Accordingly, applicant asserts that no claims have been narrowed to trigger prosecution history estoppel. The Commissioner is hereby authorized to charge cover the surcharge for presenting two dependent claims in excess of twenty to Deposit Account No: 06-0502t.

In addition, applicant has amended the specification to provide proper headings and delete any reference to particular claim numbers.

When the Examiner takes this application up for action, s/he is requested to take the foregoing into account.

Respectfully submitted,

By:
